The right help at the right time

With FinancialConnect, you and your family members have instant access to in-house experts to ask questions, gain strategic guidance and plan next steps. Legal issues are often resolved simply through telephonic consultation with a LegalConnect staff attorney.

Internal staff of professional CPAs and CFPs

ComPsych employs a staff of experts, including Certified Public Accountants (CPAs), Certified Financial Planners (CFPs) and other professionals exclusively dedicated to providing immediate, relevant and impartial financial information and guidance. For individualized investment advice, ComPsych links employees to a local CFP from our nationwide database, which is also available via GuidanceResources Online.

FinancialConnect professionals cover a broad range of personal financial issues, including:
