

Leave LensSM Employee Guide.

As you plan to have a baby or go out of work to spend time with your newborn, you're bound to have questions about your leave. Leave Lens is a tool for planning maternity or parental leave that can answer many of the most important ones, like:

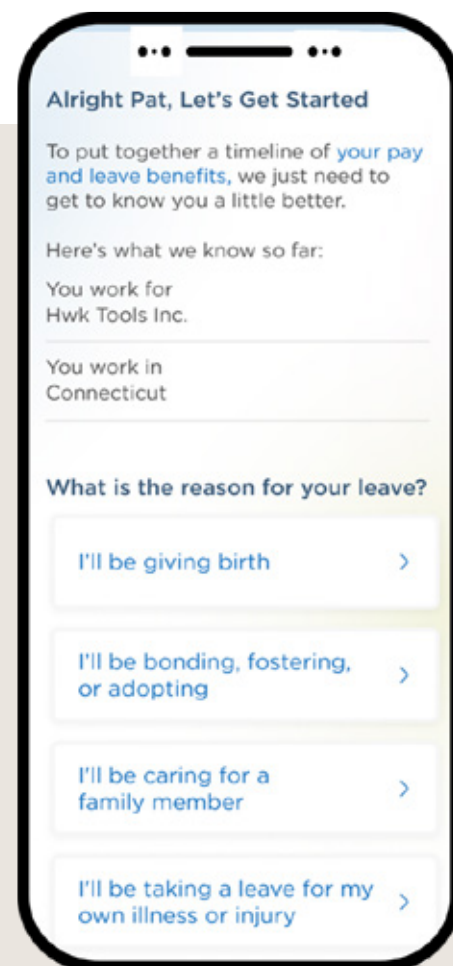

- Will my job be protected while I'm on leave?
- Will I be paid during my leave?
- What are the next steps for filing a claim?

Planning with Leave Lens can help you understand the protections you have when you need leave, so you can feel more prepared for the exciting time ahead. Also, Leave Lens is private. You can wait until you're ready to share your plan with your employer and your support system.
