Unlimited access to legal experts and resources

You have unlimited access to the ComPsych LegalConnect program which provides immediate access to the expertise and support you need through LegalConnect, the largest provider of legal information services to employees in the U.S.

The right help at the right time

With LegalConnect, you and your family members have instant access to qualified counsel to ask questions, gain strategic guidance and plan next steps. Legal issues are often resolved simply through telephonic consultation with a LegalConnect staff attorney.

In-house staff of attorneys

ComPsych employs an in-house staff of expert, licensed attorneys dedicated exclusively to telephone consultation. And unlike prepaid legal services, the ComPsych LegalConnect staff can help with any legal need anticipated or not, while recognizing and being sensitive to the inevitable emotional issues that accompany legal problems.

LegalConnect offers assistance in the following areas:

Referrals to local attorneys at discounted rates

If you require local, in-person representation, ComPsych provides referrals to pre-screened, qualified attorneys from our nationwide network of more than 10,000 professionals. Each referral includes a free, 30-minute consultation and a 25 percent reduction in fees for representation.

Award-winning online services

Our GuidanceResources Online services offers an extensive library of articles on legal subjects. GuidanceResources Online also offers a convenient search capability to find pre-screened, licensed attorneys.

Referrals to no-fee services

When referrals to fee-based attorneys are not appropriate, LegalConnect attorneys also can refer you to no- and low-cost legal options, such as pro bono agencies, the Better Business Bureau and Attorney General offices.

Expert, educational articles

LegalConnect attorneys understand that most people are not experts in the law. To give you well-rounded information on your issues, the LegalConnect staff supplies expert articles—specific to your home state.

Post-referral support

Because most people rarely work with attorneys, they may often feel uneasy or intimidated by them; and once they have met with an attorney, they may hesitate to call back for fear of further fees. After ComPsych refers you to an attorney, we encourage you to call LegalConnect again if additional support is needed. ComPsych attorneys are readily available to continue to offer help.

Holistic help that goes beyond legal issues

Each member of the LegalConnect team takes responsibility for helping you or your family member address all relevant issues related to a call, legal or otherwise. For example, if you contact ComPsych because you're going through a divorce, with an integrated program we can offer:

- LegalConnect services for legal information and attorney referral
- EAP counseling sessions to address emotional issues
- FinancialConnect® services to assist with family budgeting
- FamilySource® services to help with issues such as relocation or child care

The result is that you and your family members have the essential support you need to manage all of the work-life issues surrounding the present challenge.
